Dear Brigitte,
As I understand it, Rick had assigned the responsibility to individuals (confirmed in Loreen's e-mail) to pull together a 'reference' presentation in the listed subject area(s). The purpose was to create a presentation that could be used by anyone in the department to communicate on the given topic. If possible, it was suggested that information can/should be pulled from existing presentations to minimize duplication of effort. Individuals were assigned to certain topics based on their areas of work/expertise.

Loreen, if there are any other points related to the reference presentations that you think would be helpful to Wolf, please let Brigitte know.

Thanks,
Valerie

Valerie,

Wolf Reininghaus did not participate in the June 4th WSA staff meeting and hence has no such presentations.

Kind regards,
Brigitte

Gentlemen,
Just a follow-up on Loreen's original e-mail below. We are still missing the following reference presentations: EHC-Testing (Podraza), PI Approach (Podraza), Harm Reduction Approach (Patskan), Biomarkers of Effect (Reininghaus), and Assays (Reininghaus).

We are currently holding off in getting Legal review of the presentations until we have the complete set. Would it be possible to receive these within the next month?

Thanks,
Valerie
